

# Discover Object Edge

# Award-Winning Salesforce SI

Object Edge is an award-winning digital consultancy working in partnership with Salesforce to drive business results.

In less than 12 months, Object Edge has helped Salesforce close a dozen deals. We have ambitious targets: we want to close another dozen by the end of 2023.

Object Edge is the largest boutique agency that delivers happy customers with aggressive efficient delivery. We have over dozen Salesforce projects in the last 6 months spanning Salesforce Commerce Cloud B2B, OMS, Experience Cloud, and UX and Dev Ops.

### Services and Solutions

- Digital Business Consulting
- Experience Design
- eCommerce, CPQ, and Subscription Implementation
- Data Engineering

## Successful Partnership with Salesforce

- Successfully delivered global B2B commerce for \$150K on time/budget
- From this win, kicking off sister company projects (Optimizely rip out)
- 100% renewal rate on all Salesforce projects
- We're able to do this with managed service offering where we amortize the implementation cost across 3-5 years, plus additional services for enhancement and support

#### **Featured Clients**

"Doing any transformation, let alone a digital transformation in a 90 year old company is no small task. You guys came in, adapted to our culture, and did what others thought was impossible. I couldn't be happier with your team and the partnership we have created"

Senior Director, Global Telecommunications Manufacturer
